2. Select the Add button in the Edit panel to create a new Library module. 3. Open the Library module that you just created, then click the Delete button to delete it. 4. In the Gallery module, select the Add button. 5. Click the OK button to add the photos to the Gallery module. A window will appear with the selected photos, and the photos will be automatically cropped and sized for display. You can use the Add button to add more photos. **Figure 8.1** ; Adding photos to a gallery in Lightroom Classic 82157476af
