O. P. Nayyar, M. R.

The suffix M. R. is for Master of Rhythm for modern POP music is rhythm and rhythm is O. P. Nayyar, who has earned vast popularity with the beat-loving youth mainly because of his vigorous, buoyant and yet variegated rhythm. Next time you are listening to a song with an emphatic and lively swing, it is more likely than not that you will discover it to be one of O. P. Nayyar's compositions. The music that he scored for "Mr. & Mrs. 1955" is still remembered as the outstanding example of this characteristic style of music.

A distinguishing feature of Nayyar's creations is that he has had only Asha Bhosle and Mohd. Rafi to sing for him because he is convinced that only these two singers can render his tunes best. Yet, the marvel is that nobody has ever felt weary of this narrow choice. This in itself constitutes a major tribute to O.P.'s alchemy.

One of the dominating music-makers in the Indian film world, O. P., as his friends call him, has a neat row of hits behind him and a good number of equally promising films for which he is currently scoring, viz. "Yeh Raat Phir Na Aaygi" "Baharen Phir Bhi Aayengi" and "Mohabbat Zindagi Hai."
